Veterinarius 1977

*College Of Veterinary Medicine
University Of Georgia, Athens, Georgia*

Classes

Administration

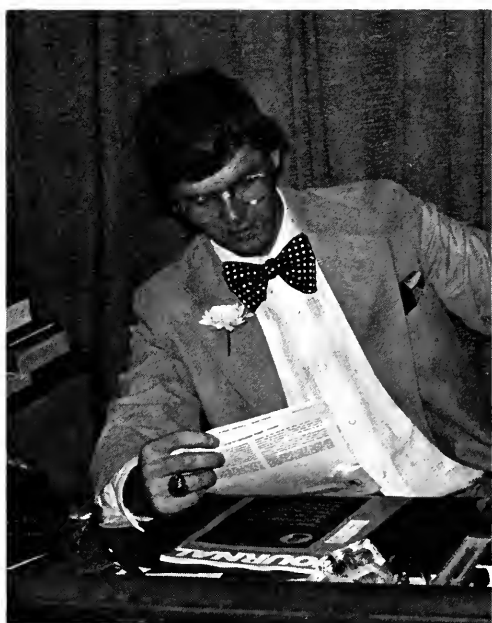

*Student
Activities*

Be glad of life . . .

*Because it gives you
the chance to love
and to work . . .*

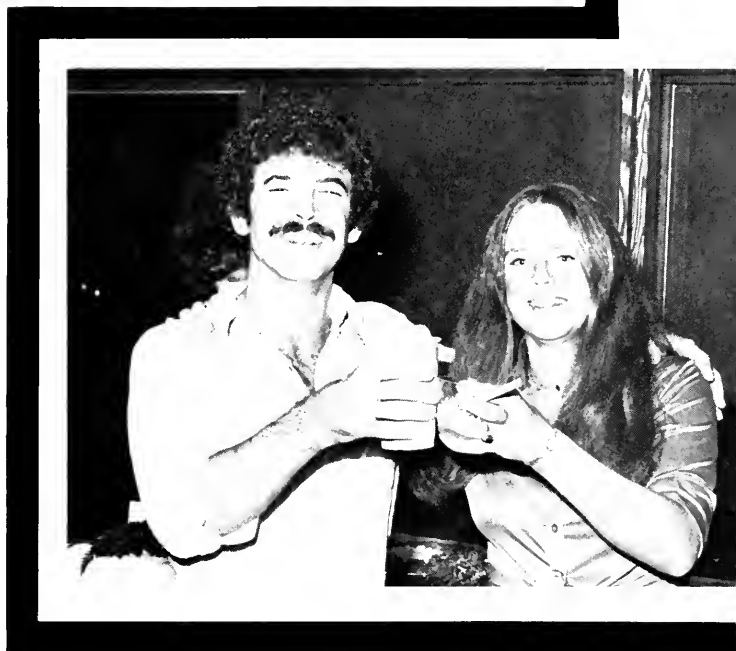

*And to play
and to look up
at the stars.*

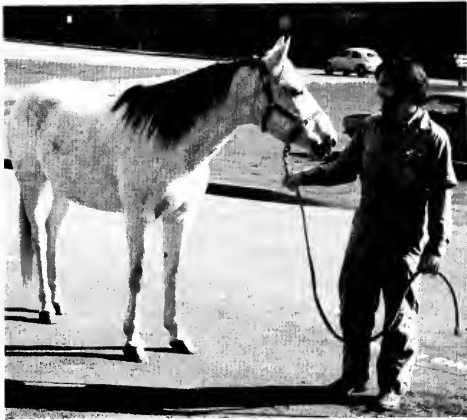

*Look to this day
for it is life . . .*

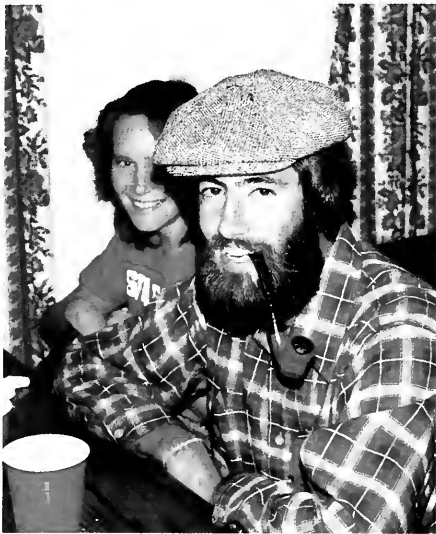

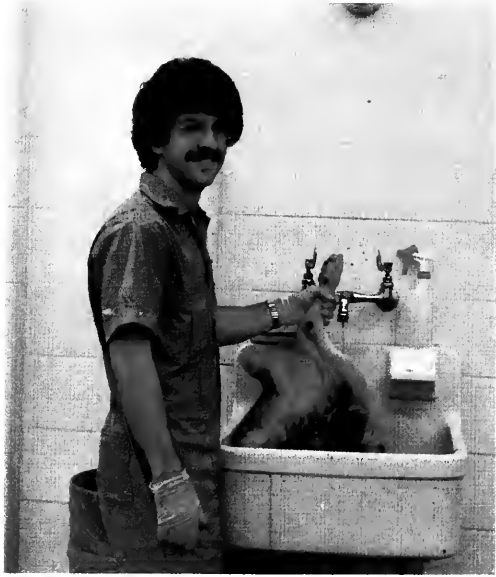

*In its brief course
lie all the realities
and truths of existence,*

*The joy of growth
the splendor of action.*

*For today well lived
makes every yesterday
a memory of happiness,*

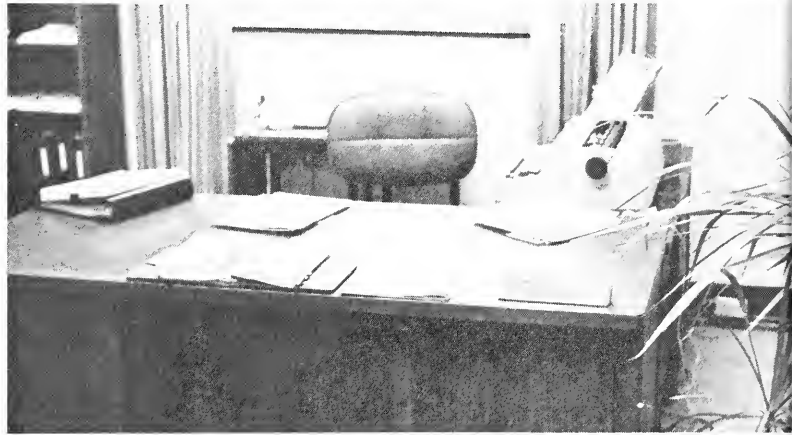

*And every tomorrow
a vision of hope.*

The 1978 Veterinarius Is Dedicated, With Pleasure, To Mrs. Jackie McMullen

This year the of 1978 dedicates the yearbook to a behind the scenes person. She is perhaps more responsible for the daily operation of the Veterinary School than anyone else. She has taught us the value of treating people with respect and making them feel they are important as individuals. She demonstrates daily that the traits of kindness and caring, so important to our vocation, are not a function of a professional degree or formal instruction but are the essence of a successful person in all walks of life. She serves as an example we can all strive to emulate in both our professional and personal relationships. We sincerely thank you, Jackie McMullen!

Dr. Wayne Crowell,
Advisor

In an effort to get the new Freshmen quickly into the Vet School Community, SCAVMA opened the year with the annual picnic at Dean Anderson's again this year. Seems we were very successful in relaying the importance of our organization as we obtained near 100% membership. With this enthusiasm behind us, SCAVMA was able to carry on a number of programs, activities and services for the students. The Fall Horse Show was a success again thanks to the very hard work of Soozi Fubini and supporting crew. With the proceeds from the show we were able to present three awards for proficiency in Equine Medicine to Venaye Reece, Tom Riddle, and Teener Raphael. Mike Berbert's effort in securing interesting speakers was appreciated as we learned about client relations, exotic animal medicine, and acupuncture in Veterinary Medicine. The highlight speaker however, was Dr. Bonnie Beaver from Texas A & M University with her presentation on animal behavior.

The winter banquet, which provided a little relaxation in the usual dreary winter quarter, marked the retirement of President Earl Sheppard as Tricia Young accepted the responsibilities. Earl served the organization exceptionally well and accepted the Diamond Labs Distinguished Service Award for his efforts.

Spring quarter began as Sammy and Krista returned with tales of Texas from the SAVMA convention and Cyd Greer busily got Open House underway. The May Open House was a tremendous success for the second year and everyone is looking forward to Open House III when we can show off our new hospital facilities.

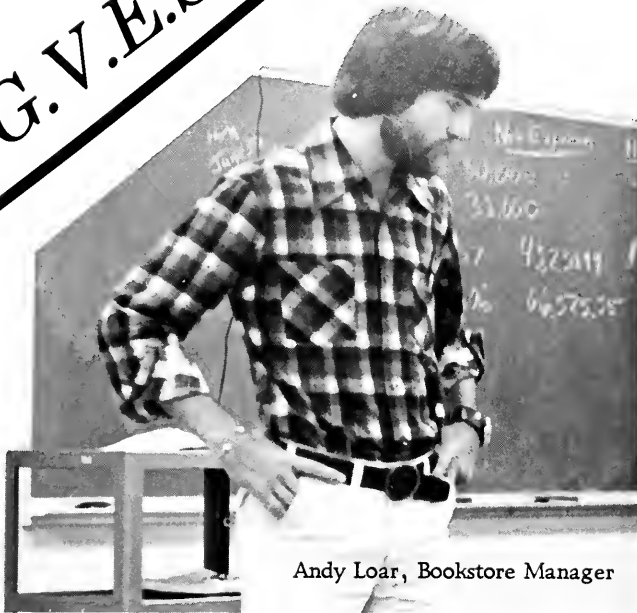

SCAVMA congratulates our graduating seniors and wishes them best of luck in their endeavors. We also look forward to welcoming the Class of 1982 in the fall.

A PRAYER FOR ANIMALS

Hear our humble prayer, O God, for our friends the animals, especially for animals who are suffering; for any that are hunted or lost or deserted or frightened or hungry; for all that must be put to death. We entreat for then all Thy mercy and pity, and for those who deal with them we ask a heart of compassion and gentle hands and kindly words. Make us, ourselves, to be true friends to animals and so to share the blessings of the merciful.

Emily Meriwether, Treasurer
Pam Currin, Treasurer

Highlights of the WVMA school year . . . The annual ice cream party during Freshman Orientation gave us an opportunity to make new friends and to explain just what WVMA is, and what it does.

As for what we do, we've been a busy crew this year with five speaker's meetings covering an unbelievable range of topics from establishing a practice, personal safety on night calls, to questioning the need for WVMA.

Yes, there is a need, and we work hard with our organization. This work doesn't go unrewarded because the Georgia Student Chapter is one of the most active in the nation.

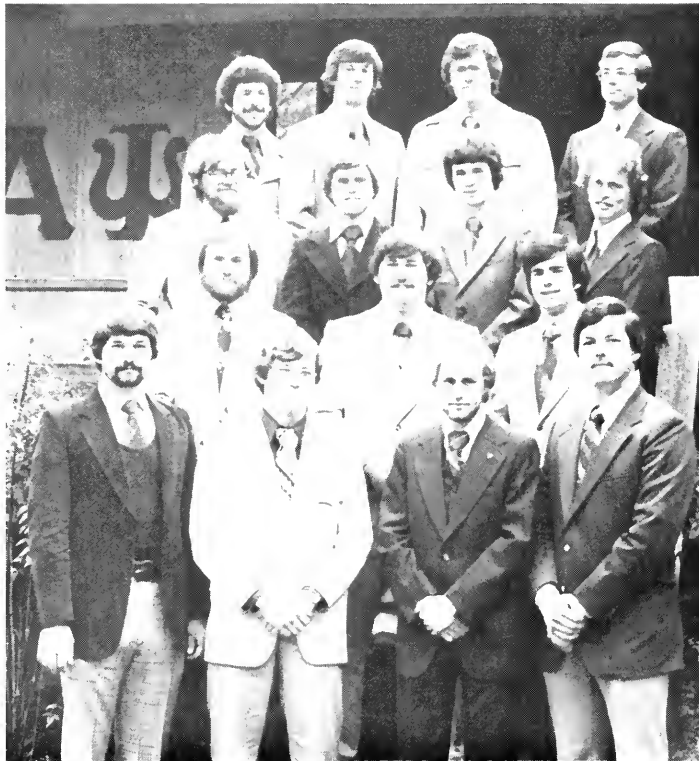

We spread our fame locally with the sale of WVMA notecards and Christmas cards. We appreciate the cooperation of all the artists in residence because without their artwork, this project would be impossible.

This has been an exciting year and next year will be even better.

WVMA has things to do that concern you and your veterinary future.

Come join us!

Alpha Psi

Don Smith, Treasurer; Sammy McFaddin, Rush Co-Chairman; Dave Marshall, Recording Secretary; Ken Angel, Sergeant at Arms; Ben Hendrix, Vice President; Bill Debord, Social Co-Chairman; Bert Platt, Corresponding Secretary; Tim Sorrells, Social Co-Chairman; Rob Griffith, President; Leonard Fussell, Chaplain; Grant Nisson, Alumni Secretary; Lamance Joyce, Rush Co-Chairman; Mike Heinen, Co-Historian; Bob Cobb, Co-Historian; Jim Blagg, Kitchen Manager

Alpha Psi Fraternity represents a group of veterinary students brought together because of common interests and goals in life. The fraternity is based on tradition and principles that have evolved since the beginning of the Lambda Chapter in 1949.

The annual events began in the fall with Rush which represented the collective effort of the brotherhood. The period following Rush was devoted to expending energies toward the veterinary curriculum and Friday evening fire-side kegs.

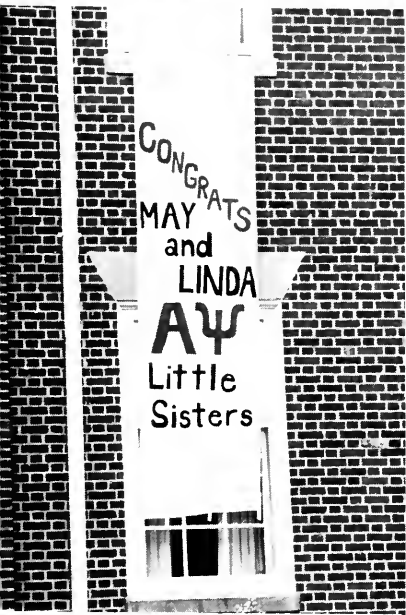

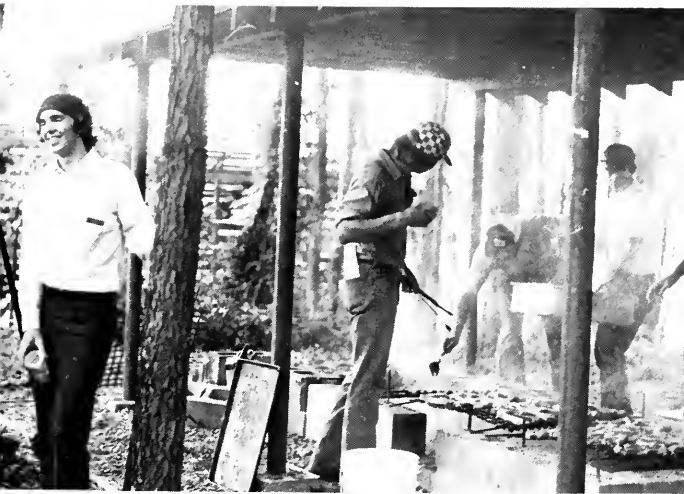

The social aspects of the winter quarter included the Sweetheart Dance which was complete with desire and envy, and the Hobo Ball which abounded in wit and triviality.

The 10th Annual Oyster Roast brought forth the spring quarter, and as usual it was outstanding. Next came the A.M. Mills Award Banquet and the formal Placebo Ball which occurred simultaneously with the Alumni Weekend. The roasting of our 1978 graduates culminated a very successful year at Alpha Psi.

Omega Tau Sigma

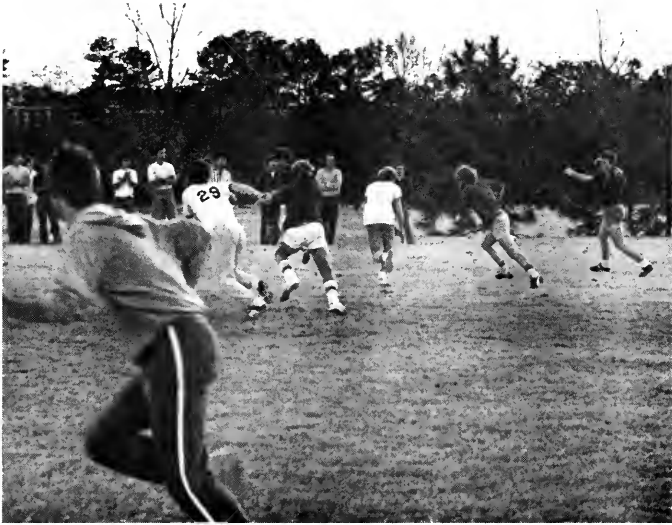

Kathy Nixon, Corresponding Secretary; Norma Woodburn, Recording Secretary; Paul Bevillaqua, Vice President; Randy Bradshaw, President; Mike Topper, Assistant Treasurer; Tom Fansher, Rush Chairman; Tim Leer, Chairman of New House Committee; Matt May, Treasurer.

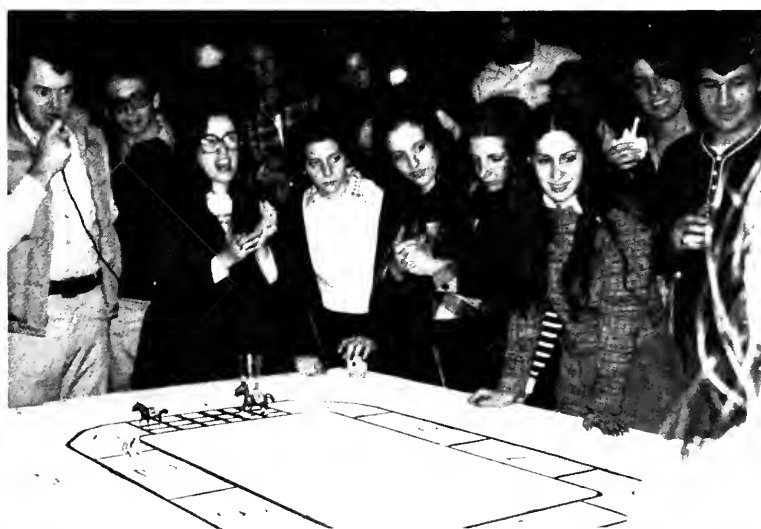

Omega tau Sigma began the school year with a busy and successful rush week which included a Hawaian Luau, Steak Dinner, and dance. We initiated a record-breaking forty-six new members. Although our traditional Halloween Party was during fall midterms, everyone found time to dress up and join the fun. Winter quarter social events included a Western Dance and a very successful Casino Night. Early in Spring Quarter everyone munched down at the Oyster Roast and plans were made for a big Alumni Weekend. Thanks to the efforts of the House and Alumni Committees, Alumni Weekend was a great success. Other activities included a Skating Party, a Senior Roast, and a fantastic closing of the social calendar with the White Carnation. Intramural sports also kept many OTS members busy after school. Football, volleyball, basketball, cross country, softball, track, archery, and swimming were some of the sports we did especially well in. Finally, our most exciting prospect is that of our new house. Plans have been made for acquisition of the funds and a completion date has been tentatively set for September 1979. The new house will allow much needed expansion which will facilitate future growth of our fraternity.

ADVERTISEMENTS

Thoughts about rabies

On one side, there's the
wildlife reservoir of rabies.

On the other, inquisitive
pets. Unsuspecting people.

And in between, you. The
veterinarian. Because only
regular immunization can
protect pets — and, in turn,
people — against the terri-
fying consequences of that
chance rabies encounter in
the wild.

Quite a responsibility.
Think about it.

Endurall-R® Rabies vaccine.

When people are depending on you...

As a veterinarian, your clients will be coming to you for a very special service . . . the protection of their pets' health.

To keep their trust, you'll want your practice to provide only the most dependable products . . . like TASK® (dichlorvos) Dog Anthelmintic, TASK® TABS (dichlorvos) Anthelmintic for Cats and Puppies, Flea Collars for Cats and Dogs, EQUIGARD® (dichlorvos) Equine Anthelmintic, and EQUIGEL™ (dichlorvos) Specific Spectrum Equine Anthelmintic. These are the kind of products a practice is made of.

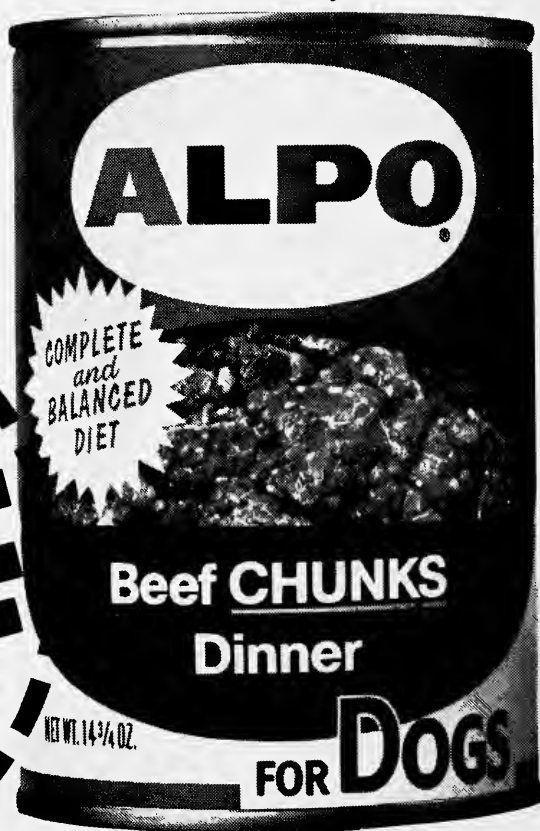

SHELL CHEMICAL COMPANY,
Veterinary Products, One Shell Plaza,
Houston, TX 77001.

we're the people you can depend on.

**When you add
a little of this,
you add a
lot of**

**REAL
BEEF**

You've got a kennelful of meat-lovers. And there's nothing more likely to make them grateful than adding some ALPO to their dry.

ALPO Beef Chunks Dinner gives them what most other dog foods don't. Lots of real beef, plus hearty meat by-products. Soy for better balance. And vitamins and minerals to complement the nutrition of your present feed. You can also serve it as a complete ration straight from the can. Either way, don't champions like yours deserve at least a little ALPO?
